RE: MS Sedco INTERSECTOR Microwave Motion and Presence Sensor Approval

Dear Mr. Cooper:

This is regarding the Texas Department of Transportation's (TxDOT) approval for the use of the above mentioned equipment as specified by TxDOT specification, TO-8000, "Radar Vehicle Detection System."

TxDOT has evaluated the above listed equipment to TxDOT specifications and has determined that the radar system, as submitted meets the requirements of the "Radar Presence Detection Devices" section of TO-8000 and may be installed on TxDOT roadways.

TxDOT reserves the right to remove this device from the approved products list if it fails to perform satisfactory or falls below established standards. Any deviation from the approved product will also result in the removal of this device from the approved products list unless TxDOT is notified of the changes.

This letter shall not be considered a product endorsement. If you have further questions regarding this matter, please contact Henry Wickes at (512) 506-5125.

Sincerely,

Michael Chacon, P.E.
Director, Traffic Operations Division
